

# Reinstating Your Credentials

Applicants who desire to reinstate a ministerial credential must complete an Application for Reinstatement. Any dues outstanding to the General Council must be paid and accompany the Reinstatement Application.

**PLEASE NOTE:** If a credential has lapsed for two (2) years or more, Reference Release Form(s), Background Check Release form, and an interview is required.

If a credential has lapsed for seven (7) years or more, Reference Release Form(s), Background Check Release form, the written exam and an interview is required.

If the credential lapsed or was resigned in a district other than the Potomac Ministry Network, a letter of recommendation and/or clearance from the previous district must be submitted with the reinstatement application.

A reinstatement application fee is required plus any monies outstanding at the time the credential lapsed or was resigned. Unpaid General Council dues must also be fulfilled.
